

Mobile Ultrasound Services...

AHEC Mobile Ultrasound Services
will help you manage the implementation
and growth of diagnostic ultrasound
...in your practice.

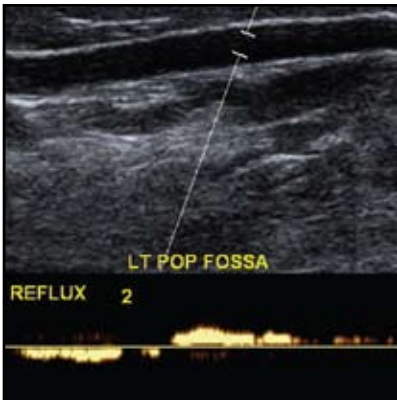

Increase...your competitive edge

The addition of ultrasound imaging in your practice, through the use of hand-carried ultrasound, can expand your revenue stream and provide better patient care, all with a single solution. AHEC Mobile Ultrasound Services can provide a range of ultrasound procedures to complement your practice. This opportunity allows the patient to stay in your office and provides convenience for you and your office team. AHEC can provide multiple advantages for a full service delivery option or we can assist with staffing, consulting, and continuing education.

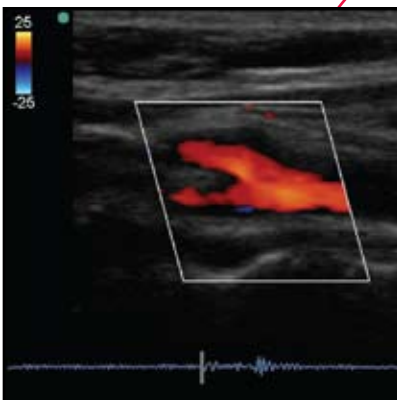

Benefits...to your Practice

- no capital investment
- no maintenance expense
- additional revenue
- low staff burden
- accreditation assistance
- zero down-time
- continuing education credits
- simple flat rates
- referral bonuses

Benefits...to your Patients

- highest quality diagnostic imaging
- done right the first time
- familiar surroundings
- convenient scheduling
- reduced travel
- quicker results
